EDELTRAUD VONBRUCK

This story powerfully illustrates hope. —ROSMARIE VON TRAPP

Are you facing a storm? Do you feel alone in the midst of a sea of people?

Edeltraud VonBruck is a survivor. When faced with a series of hard times and financial difficulties, Edeltraud learned that God can reveal Himself in any situation. Today, she shares her experience to teach others dealing with hardship that they can survive by relying on God and anticipating His assistance through others.

Survival Kit offers advice for coping with tasks such as doing laundry, staying healthy and literally surviving a storm, so you can be prepared should hard times come. This true story will encourage you to persevere and draw closer to God as you wait for the storm to pass.

EDELTRAUD VONBRUCK was born and raised in Austria, in the region of *The Sound of Music*. She came to the United States with her family, where she finished her college studies and taught several foreign languages. Edeltraud's passion to share God's good news, learned skills in piano, and Holy Spirit inspired gifts have enabled her to minister to people around the world.

Her heart's cry is to be an instrument to bring the gospel to those who have never heard, who have forgotten, or who are struggling to hold on to their faith in these last days before Christ's return.
